

# **ERTDA**

## **Riverside Transit Agency**

# **FINANCIAL PROFILE**

**September 2005**

### **Overview**

September total revenue of \$5,329,122 is \$1,310,439 or 32.6 percent over budget. Year-to-date revenue of \$14,506,087 is \$15,591 or 0.1 percent over budget. Both the monthly and year-to-date variances are attributed to receipt of Federal capital contribution revenue that is reimbursed upon payment of COP debt service.

September operating expenses of \$3,234,722 are \$271,369 or 7.7 percent under budget. Year-to-date expenses of \$9,790,541 are \$727,731 or 6.9 percent under budget. Variance analysis by cost element is provided in the financial discussion below.

During the month of September, RTA carried a total of 597,912 passengers. This consisted of 498,880 passengers on directly operated fixed routes, 81,001 on contracted fixed routes, and 18,031 on dial-a-ride/ADA trips. This reflects a decrease of 3.81 percent when comparing September 2005 to September 2004. Fiscal 2006 year to date ridership of 1,703,545 reflects a 10.35 percent decrease for the same period in fiscal year 2005. The decrease is mainly attributed to inclement weather and passenger price elasticity associated with a recent fare modification.

During September, RTA provided a total of 49,264 revenue service hours and logged a total of 811,479 combined revenue miles. This reflects a 0.11 decrease and 2.09 percent increase respectively, when comparing September 2005 to September 2004. Fiscal 2006 year-to-date actual revenue service hours of 149,535 and revenue miles of 2,455,443 reflect a decrease of 0.76 and an increase of 1.50 percent compared to fiscal year 2005.

September farebox revenue of \$618,597 is under budget \$25,099 or 3.9 percent. Year-to-date farebox revenue of \$1,770,418 is \$160,672 or 8.3 percent under budget. This is attributed to the decrease in ridership stated above as well as less than planned fare media sales at vendor outlets.

### **Financial Discussion**

Total salaries and benefit expenses of \$1,635,062 are \$132,004 or 7.5 percent under budget in September. Year-to-date total salaries and benefit expenses of \$4,905,186 are \$396,013 or 7.5 percent under budget. Both variances are mainly attributed to less than planned liability reserves set aside for workers' compensation.

Purchased transportation expenses of \$975,312 are \$83,773 or 7.9 percent under budget in September. Year-to-date purchased transportation expenses of \$2,950,348 are \$226,904 or 7.1 percent under budget. These variances are mainly attributed to service adjustments that were necessary to maintain contract budget thresholds, as well as a change in planned implementation of the Harveston shuttle.

Total services expenses of \$103,578 are \$54,615 or 34.5 percent under budget in September. Year-to-date service expenses of \$413,729 are \$60,849 or 12.8 percent under budget. Both variances are attributed to less than planned payments for contracted security services at the downtown terminal, coupled with less than planned fees for third party workers compensation administration.

Materials and supplies expenses of \$289,772 are \$14,285 or 5.2 percent over budget in September. This is primarily due to the publication of ride guides and a reorder of fare media stock. Year-to-date material and supplies expenses of \$815,365 are \$11,094 or 1.3 percent under budget. There is nothing of significant to report.

Other expenses of \$230,998 are \$15,263 or 6.2 percent under budget in September. Year-to-date other expenses of \$705,913 are \$32,872 or 4.4 percent under budget. Both monthly and year-to-date variances are primarily attributed to less than planned insurance premiums paid for fiscal year 2006.
