Win Free Bus Passes at Cardenas Markets on Earth Day, April 22

RTA is teaming up Cardenas Markets to celebrate Earth Day on Friday, April 22 by giving away prizes and free bus passes. Look for RTA at Cardenas Markets in San Jacinto, Perris, Moreno Valley, Riverside, Corona and Lake Elsinore. At the locations, customers can spin a prize wheel for a chance to win 1- and 7-day passes. Details and times at RiversideTransit.com.

Free Wi-Fi Expands to RTA Buses

Customers who like to surf the Internet are in for a treat. That's because RTA has installed free Wi-Fi service on all large buses. Until now, this amenity was only available on our CommuterLink Express buses. By this fall, more than 200 large and small buses, excluding Dial-A-Ride, will have the free service. Look for the Wi-Fi logo on your bus.

Lose Something on the Bus?

RTA is pleased to announce a new way to find lost items. Instead of visiting our offices, customers can call us at (951) 565-5002 or complete the online form under the new Lost and Found section of RiversideTransit.com. Be prepared to provide as much detail as possible to help us locate your missing item.

Route and Schedule Improvements Coming May 8

Don't forget that on May 8, RTA will make adjustments to several routes to boost productivity, maximize efficiency and enhance connections. Details can be found at RiversideTransit.com or in the new Ride Guide debuting on buses this month.

Exiting the Bus

When arriving to your destination, please exit from the rear door and only step into the stairwell after the bus has stopped. Be sure to move away from the bus once you've exited to give your driver plenty of room to safely re-enter traffic.

Ride an RTA Express Bus to Your Next Destination

RTA proudly offers eight CommuterLink express bus routes with safe, convenient and affordable service to Riverside, Orange, San Diego and San Bernardino counties. RTA's newest generation of express buses come with amenities such as free Wi-Fi, plush seats, overhead reading lights, luggage and bike racks, and USB charging ports.
